Attention All Students!

CALL FOR STUDENT PRESENTERS

HMPGA, in collaboration with NEAIPG, is hosting the
**8th Annual Student Poster Exposition and
Professional/Career Networking Event!**

Followed by Dinner and a Presentation on Geothermal Wells

This is an opportunity for undergraduate, graduate, and post-doc students in geoscience or related fields to present their research to their peers and professionals at an open poster session during HMPGA's monthly meeting, in conjunction with NE-AIPG's Spring Meeting. Topics of research presented should relate to geophysics, hydrogeology, geochemistry, or other geology or earth & environmental science related sub-fields. **Posters from previous conference presentations with GSA, AGU, etc. are welcome and encouraged!**

This meeting is intended to bring together professional geologists and students in the geosciences, and has historically been well-attended by geologists, engineers, and scientists from academic, government, and consulting sectors. **Students should make sure a bring copy of their résumés!**

The exposition and networking event is **FREE**
to students presenting a poster, including dinner!

Poster Session Registration:

Current students and recent graduates of winter 2025/2026 are encouraged to present at this open poster session, but all students and faculty are welcome!

Contact Kelly Weyer (NEAIPG) at kellyw.geo@gmail.com or Jonathan Dippert (HMPGA) at J.Dippert@ctmale.com if you are interested in presenting a poster. Geosciences faculty members are also encouraged to attend this event.

The Hudson-Mohawk Professional Geologists Association (HMPGA) was established in 1994 to provide an open forum to strengthen and advance the geological sciences. HMPGA fosters the open exchange of ideas and disseminates information regarding the geological sciences to the community. HMPGA is affiliated with the American Institute of Professional Geologists (AIPG) to help facilitate the exchange of information regarding professional activities on a state, regional and national level. Participants in the organization include working professionals from both the private and public sector; educators from colleges, universities, and high schools; and avid enthusiasts.
