CASCADe
DRILLING | TECHNICAL SERVICES

EXCELLENCE ON EVERY LEVEL™

CASCADe provides a full range of environmental and geotechnical drilling, site investigation and characterization, and environmental remediation technologies. Our vision is to integrate technology, safety, sustainability and human potential to tackle the challenging environmental and geotechnical issues facing our clients.

YOUR PARTNER FROM CONCEPT TO CLEAN UP

DRILLING

environmental, geotechnical, utility clearance, IDW, sonic, auger, rotary, direct push

SITE CHARACTERIZATION

high resolution site characterization, sampling, data visualization, MIHPT, UVOST, CORE^{DFN}, WATERLOO^{APS}, MobiLab

REMEDIATION

in situ, ex situ, collaborative design, thermal, chemical, biological, emplacement

With Cascade offices across the United States, subsidiaries and international partners, we deliver reliable services **nationwide.**

DRILEX

ENVIRONMENTAL

Drilex Environmental is one of New England's premier drilling companies

Drilex Environmental was established in 1995 and is one of New England's fastest growing, premier, full service Drilling and Environmental Construction companies. We are a quality drilling company, able to meet the ever changing needs of our clients.

AIPG STATEMENT OF PURPOSE

The purpose of the Institute shall be: to strengthen the geological sciences as a profession with all reasonable actions; to establish professional qualifications for, and to evaluate continuously the ethical conduct of geological scientists. Further the Institute shall establish standards to protect the public and geological sciences from non-professional practices; shall monitor governmental and other activities affecting the geological sciences; and, shall communicate with the public.

The Directory of the Northeast Section of the American Institute of Professional Geologists is digitally published annually at www.issuu.com/neaipg and at www.ne-aipg.org. Design and layout by Curt Kraemer, Kim Burger and Dick Young. Section Members are alerted to each issue by e-mail. The Directory was compiled by Curt Kraemer from data provided by AIPG. Many thanks are extended to all who helped in compiling this issue.

HOW DO YOU ACCESS DIFFUSION LIMITED PORE-SPACE?

With **COMPLETE CONTROL** of injection **DIRECTION**, **RADIUS**, and **VELOCITY**.

From the grounds of Space Launch Complex 15 at Cape Canaveral,

BADGER INJECTION SOLUTIONS, LLC

is now servicing the Northeast with kinetically adjustable pore space dilation injection techniques to emplace your selected in-situ treatment amendment.

It's all about **CONTACT**, and the Badger Technology **DELIVERS**.

- DAILY injection volumes average 2,500 GALLONS with injection rates of up to 35 GALLONS PER MINUTE
- TARGET SPECIFIC TREATMENT AREAS using a selection of nozzle arrays (360°, 270° or 180°) with a MINIMUM RADIUS OF 15-FEET
- VARIABLE INJECTION FLOW RATES - essential in allowing amendments to diffuse into limited pore spaces

Environmental Assessment & Remediations is the certified BADGER technology provider for the Northeast.

Contact us **NOW** to coordinate your **INJECTION SERVICES** for 2017!

THE ORIGINAL AND MOST WIDELY APPLIED
**ACTIVATED CARBON
BASED IN-SITU
REMEDICATION
CHEMISTRIES
IN THE WORLD**

The RPI Group approach includes high density site characterization with pro bono laboratory support, expert project design, and professional installation.

19
YEARS

Celebrating our 19th year of unprecedented success returning environmentally compromised properties to their highest and best use.

Contact Derek Pizarro (610-517-8242, dpizarro@astenv.com) to learn if the RPI Group Approach to in-situ remediation is an option for your site.

PIGGYBACKING: SERVICE EXPANDED FOR NE/AIPG ADVERTISERS!

The NE/AIPG Newsletter has again expanded its PiggyBacking options offered to Advertisers. Advertisers can include promotional flyers or brochures along with NE/AIPG's normal distribution of the Newsletter & Directory of Members.

PiggyBacking gives NE/AIPG Advertisers a cost-effective way to get their promotional material into the hands of NE/AIPG's targeted audience of decision-makers. That audience encompasses over 600, including ~500 NE/AIPG Members and Applicants throughout New York, New Jersey, and the six New England states, as well as ~40± AIPG National and Section Officers, over 60 Advertisers, and others. NE/AIPG Members benefit from keeping current on available and innovative products and services.

PiggyBack Rates:

PiggyBack rates for digital issues (see <http://issuu.com/neaipg/docs>) are:

1. A "Full Page" (~8" high by 5" wide) Space in Full Color costs \$125 per issue;
2. A "Double Full Page" (~8" high by 10" wide) Space in Full Color costs \$225 per issue;
3. A "Quad Full Page" (2 Doubles of ~8" high by 10" wide each) Space in Full Color costs \$425 per issue.

To schedule your PiggyBack promotion, or to learn more, just call Dick Young at 973-335-2289 or e-mail RYoungNJ@aol.com.

2024 NORTHEAST SECTION MEMBERSHIP BY SELECTED PRIMARY FIELDS OF PRACTICE

None Listed - Of the 493 members of the Northeast Section AIPG, 110 did not select any Field of Practice. This includes 82 Students and two Associate Members, all of whom would not have a "Field of Practice", yet.

Solutions to complex challenges

A continually shifting world makes any engineering design solution difficult, often overwhelming. We help you overcome these challenges.

First, we start with you – defining true value and a successful outcome. With a deep understanding of the nexus between regulatory, technological and environmental drivers, we deliver certainty on cost-effective projects and programs that meet and exceed your goals.

Together we can do a world of good.

Blast and Vibration Monitoring
Detection of Foundation Elements
Water Table Mapping
Buried Landfill Detection

7 REASONS TO USE ENVIROSCAN

Geophysics is our only product - so we really know what we're doing.
We own all the gear for all techniques - so we use the right tools every time.
Since we do only geophysics, we are not your competitor!
We have 4 licensed PGs on-staff managing or reviewing every project.
We provide fully electronic / digital / GPS-based mapping and reporting.
We provide one-stop shopping for land, marine, and borehole geophysics.
We are WBE - certified.

GET TO THE SOURCE... THE FIRST TIME!

with Horizontal Remediation Wells

Some of the benefits:

- No business interruption during installation
- Maximum exposure to contaminants
- Cost efficient
- Reduced maintenance equipment, and operations cost.

And a few of the applications are:

- Horizontal Air Sparging
- Horizontal Soil Vapor Extraction
- Horizontal Bio Remediation
- Horizontal Soil Sampling
- Chemical Oxidation
- And many more...

Angelo Tagliacozzo Memorial Geological Scholarship

***Do Your Part Today: Give Back to the Profession
That Has Given You So Much !***

"Preservation of Every Dollar You Contribute"

... is the cornerstone concept of NE-AIPG's

Angelo Tagliacozzo Memorial Geological Scholarship Perpetual Trust Fund (PTF)

Scholarships are funded from the income on the PTF,
So your **tax deductible** contributions are preserved, perpetually!

Make checks payable to Angelo Tagliacozzo Memorial Geological
Scholarship Perpetual Trust Fund, and mail to:

NE/AIPG Geological Scholarship Trust Fund
c/o Scott Hulseapple
679 Plank Road
Clifton Park, New York 12065

Alternatively, you can make your contribution **RIGHT NOW ON-LINE**
by simply going to <https://ne-aipg.org/index.php> and clicking
"Donation to Scholarship Fund" (under Quick Links
on the "Home Page")

Become a Perpetual Philanthropist !

Experience Sonic

Benefit from continuous core sampling in overburden, sand, gravel, clay, cobbles, boulders, weathered bedrock, and delicate formations. With drill speeds up to 4 times faster and as much as 80% less waste, there is no better technology or value than Sonic.

Summit Drilling's Sonic Division has invested in the industry's best people. Our new sonic fleet is operated by highly skilled and specially trained drillers who deliver unmatched sample quality and efficiency in the field. *As important*, sonic is the safest drilling technology.

Summit Drilling is recognized by state agencies, customers and peers for their ongoing commitment to safety and consecutive record of success.

Experience Sonic at An Exceptional Level. Call Summit Drilling and Speak with a Sonic Expert Today.

Investigating PFAS? Speak with the industry's most trusted contractor!

Resource Development and Maintenance

Water Treatment

Layne Christensen's well-trained field crews and experienced staff work with clients to:

- Develop new water sources
- Rehabilitate existing wells, through either chemical or mechanical processes
- Provide pump service (new sales, repairs and installation)

Layne Christensen's professional engineers can assist in determining an appropriate treatment technology. We then fabricate systems scaled to each client's requirements.

Angelo Tagliacozzo Memorial Geological Scholarship 2023—2024 Academic Year Final Status Report

Kelly A. Weyer, CPG
Chair, Scholarship Committee

The ATMGS Board of Trustees and the NE-AIPG’s Executive Committee (ExCom) reviewed the ATMGS Committee’s award suggestions, and approved the ATMGS Awards in the March 5, 2024 ExCom meeting. Thank you to all of the students that took the time to apply, and if you did not receive an award this year, and are still qualified in the fall, please apply!

We are pleased to present and to congratulate the seven selected 2023-2024 ATMGS Award recipients

<u>Award</u>	<u>Applicant</u>	<u>College</u>
\$3,500	Sean Gilbert	Stockton University; Galloway, NJ
\$3,000	Aiyana Vazquez	Wellesley College; Wellesley, MA
\$2,500	Jade Simoneau	University of Rhode Island; Kingston, RI
\$2,000	Nicholas Janowski	SUNY Binghamton; Vestal, NY
\$2,000	Victoria Rose Castle	Stony Brook University; Massapequa Park, NY
\$1,000	Angela Douglass	Wellesley College; Wellesley, MA
\$1,000	Matthew James	Montclair State University; Montclair, NJ

The 2023-2024 ATMGS Committee consisted of six NE-AIPG Members (Al Moffit, Jennifer Rhee, Mike Grifasi, Sam Gowan, Tom West, and Kelly Weyer). Between December 2023 and February 2024, the ATMGS Committee reviewed eleven qualified applications received between September 2023 and December 2023. After completing individu-

(Continued from page 77)

al reviews, the results were combined, and the ATMGS Committee met to discuss the results, and agreed on the suggested award pools and recipients that were presented to the ExCom. To qualify for the ATMGS, an applicant needed to be junior or senior undergraduate student pursuing a degree in a geological science at a university or college within the area covered by NE-AIPG. Consistent with previous years, evaluation criteria for this year's ATMGS included financial need, academic transcript and qualifications, career goals, achievements (e.g., awards, projects, publications, senior thesis, etc.), and a faculty recommendation letter. Financial need and academic qualifications are weighed more heavily than the other factors in accordance with the weighting scheme that has been used now for many years.

The eleven applications came from nine different colleges and universities within five of the eight states that make up NE-AIPG. All of the reviewed applications demonstrated excellent academic qualifications and real financial needs, with over half of the students earning above a 3.7 GPA. Many of the students that applied are involved in research projects, which give them hands on experiences in the field, in the lab, and in interpreting and presenting their results to their peers and colleagues at professional meetings. These experiences do not come without a cost beyond basic tuition, and several applicants expressed that, if chosen, they would use the Award to help fund a project or trip, which we all know is an important part of understanding geological processes.

The final Award amounts were approved after considering the quality and qualifications of the applicants, performance of the ATMGS Perpetual Trust Fund over the past year, and the overall financial health of the NE Section. An Award pool of \$15,000 was selected as an appropriate award amount.

The name of each recipient, the college or university they attend, and the Award amounts are presented in this announcement and are posted on the NE-AIPG's website. All applicants were contacted by email or phone to inform them of the outcome. Awards are planned to be delivered via checks accompanied with a letter of recognition. Each applicant that did not receive an Award was emailed an acknowledgement letter notifying them of the results and thanking them for their interest in our scholarship program. Students that will be seniors next year are

(Continued on page 81)

(Continued from page 80)

encouraged to apply for the 2024-2025 Awards, if they are still eligible.

A huge thank you is extended to each member of the ATMGS Scholarship Committee for their time and effort in evaluating the eleven applications and selecting the seven 2023-2024 Scholarship recipients. Many thanks also go to the former Committee Members and former Committee Chair, Dennis McGrath, for developing the evaluation system that seems to provide fair and meaningful results to aid in the Committees' and Board's final decisions. Thank you to the professors, faculty, and students for their interest and involvement in the Scholarship program. Last but not least, **thank you to everyone who has and continues to donate to the Angelo Tagliacozzo Perpetual Trust Fund.**

The 2024-2025 ATMGS Application will be open from September 2024 through December 2024, and Awards will be made in Spring 2025. Watch your emails and the website for future announcements and updates.

Celebrating 38 Years of Scholarships!

The Angelo Tagliacozzo Memorial Geological Scholarship

The Angelo Tagliacozzo Memorial Geological Scholarship was established by the Northeast Section of the American Institute of Professional Geologists in late 1986. The first Scholarships were presented to undergraduate Geology students in 1987.

The ATMG Scholarship recognizes the dedicated leadership and service which Angelo provided to NEAIPG, to AIPG, and to the geological profession, until his untimely passing on October 11, 1986. The Scholarship furthers Angelo's goal of acquainting young geologists with AIPG and with AIPG's importance to the geological profession.

ANGELO TAGLIACOZZO (1936 - 1986)

Angelo Tagliacozzo received his doctorate in Geology from the University of Rome (Italy) in 1962. Thereafter, he worked in various positions as geologist, geophysicist, and hydrogeologist, which included assignments abroad, in the U.S., and with the United Nations. Angelo provided exemplary service to AIPG at the Section and National levels. He was a Northeast Section Executive Committee Member (1973-1982), Vice President (1977-1978), President (1979-1980), National Advisory Board Delegate (1981-1982), and Screening Board Chairman (1984-1986). Angelo's dedication to and leadership of the Northeast Section Screening Board has become the ultimate standard against which service in such a position is measured. Angelo also served as an AIPG National Executive Committeeman (1982); he was a vigorous advocate of measures to increase professionalism. Angelo was (and will always be remembered as) a respected professional.. and a friend to many.

THE SCHOLARSHIP

NEAIPG grants Scholarships to undergraduate geology students annually. The Scholarships are designed to help with the cost of summer field courses, textbooks, and other aspects of geological education. Scholarships are awarded, on academic achievement and on financial need, to students enrolled in recognized geology programs at colleges or universities located in Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, and Vermont.

YOUR CONTRIBUTIONS

Your participation is encouraged in support of this dynamic memorial to Angelo and his recognition of the importance of AIPG to the geological profession. Contributions to the Scholarship Perpetual Trust Fund should be written to:

Angelo Tagliacozzo Memorial Geological Scholarship Perpetual Trust Fund, and mailed to:

**NE/AIPG Geological Scholarship Trust Fund
c/o Scott Hulseapple
679 Plank Road, Clifton Park, New York 12065**

Alternatively, you can make your Contribution RIGHT NOW ON-LINE, by simply going to <https://ne-aipg.org/> and clicking "Donation To Scholarship Fund" (under "Quick Links" on the home page).

All Contributions are invested perpetually, with earnings thereon used solely for the Scholarship. NE/AIPG bears all costs of administration. Please ask your employer about matching your tax-free contribution, and additional corporate contributions.

Re: *I'm Taking the Pledge: I'M IN FOR 2024!*

Dear Kelly,

This year, I am 100% with you when it comes to achieving the Section's goal of 100% participation in support of the ATMG Scholarship Perpetual Trust Fund in 2024!

I agree with your encouragement that **each and every Section Member make a contribution in accordance with their ability!** Affordable donations from many members, can show a stronger and more united support for the future of our profession and aspiring geologist, rather than relying on the generous support from a few members.

To show my support toward the profession of Geology and encourage aspiring Geologist, you can count me in FOR 2024!

I am committed to contributing, as much as I can, **to give back to the profession that has given me so much. I'M IN FOR 2024**, and I am considering a **tax-free donation** equivalent to \$35 a Week, \$35 a Month, or \$35 for the Year!

Also, I just wanted to tell you I am delighted to know that every one of those hard-earned dollars that I contribute will be INVESTED in the Scholarship Perpetual Trust Fund, so my contribution today can keep on giving, year after year! That makes me feel like my contribution really means something, both now and in the long term!

I have thought it over, and **I know how important 100% participation is to make significant impacts in the lives of aspiring geologists!** So, Kelly, **I'M IN FOR 2024**, as indicated below.

If I want to add another tax-free donation later in the year, or if I want to pay this donation online, I know that I can visit the Section website at <https://ne-aipg.org> and make a donation at any time.

Professionally yours, _____

At this point in 2024, I am pledging the amount indicated below, and I will provide payment via check, or will pay online at <https://ne-aipg.org/>. I indicated my donation amount and payment method below with an "x" on the appropriate statements:

____ \$35 a Week (\$1820 for 2024)

____ \$35 a Month (\$420 for 2024)

____ \$35 a Year (\$35 for 2024)

____ I pledge to donate the amount of \$_____ (I know that a little bit is better than nothing!)

____ I have physically mailed this letter to you and enclosed my check, made out to "Angelo Tagliacozzo Memorial Geological Scholarship Perpetual Trust Fund."

____ I have emailed you this letter, and I will pay the donation online. If my payment is not received within 30-days of receiving this letter, please invoice me and I will agree to pay as soon as possible, and no later than by 12/1/2024.

Signed: _____
