The 2024-2025 ATMGS Committee consisted of seven NE-AIPG Members (Kelly Weyer [Chairperson], Martin Derby, Eric Gingras, Adam Kaiser, Al Moffit, David- Olaoluwa Oladuji, and Tom West). Between December 2024 and February 2025, the ATMGS Committee reviewed the qualified applications received between September 2024 and December 2024. After completing individual reviews, the results were combined, and the ATMGS Committee met to discuss the results, and agreed on the suggested award pools and recipients that were presented to the ExCom. To qualify for the ATMGS, an applicant needed to be junior or senior undergraduate student pursuing a degree in a geological science at a university or college within the area covered by NE-AIPG. Consistent with previous years, evaluation criteria for this year's ATMGS included financial need, academic transcript and qualifications, career goals, achievements (e.g., awards, projects, publications, senior thesis, etc.), and a faculty recommendation letter. Financial need and academic qualifications are weighed more heavily than the other factors in accordance with the weighting scheme that has been used now for many years.

The applications came from thirteen different colleges and universities within six of the eight states that make up NE-AIPG. All of the reviewed applications demonstrated excellent academic qualifications and real financial needs. Many of the students that applied are involved in research projects, which give them hands on experiences in the field, in the lab, and in interpreting and presenting their results to their peers and colleagues at professional meetings. These experiences do not come without a cost beyond basic tuition, and several applicants expressed that, if chosen, they would use the Award to help fund a project or trip, which we all know is an important part of understanding geological processes.

The final Award amounts were approved after considering the quality and qualifications of the applicants, performance of the ATMGS Perpetual Trust Fund over the past year, and the overall financial health of the NE Section. An Award pool of \$20,000 was selected as an appropriate award amount.

The name of each recipient, the college or university they attend, and the Award amounts are presented in this announcement and are posted on the NE-AIPG's website. All applicants were contacted by email or

(Continued on page 81)

(Continued from page 80)

phone to inform them of the outcome. Awards are planned to be delivered via checks accompanied with a letter of recognition. Each applicant that did not receive an Award was emailed an acknowledgment letter notifying them of the results and thanking them for their interest in our scholarship program. Students that will be seniors next year are encouraged to apply for the 2025-2026 Awards, if they are still eligible.

A huge thank you is extended to each member of the ATMGS Scholarship Committee for their time and effort in evaluating the applications and selecting the fifteen 2024-2025 Scholarship recipients. Many thanks also go to the former Committee Members and former Committee Chair, Dennis McGrath, for developing the evaluation system that seems to provide fair and meaningful results to aid in the Committees' and Board's final decisions. Thank you to the professors, faculty, and students for their interest and involvement in the Scholarship program. Last but not least, **thank you to everyone who has and continues to donate to the Angelo Tagliacozzo Perpetual Trust Fund.**

The 2025-2026 ATMGS Application will be open from September 2025 through December 2025, and Awards will be made in Spring 2026. Watch your emails and the website for future announcements and updates.

Celebrating 39 Years of Scholarships!

The Angelo Tagliacozzo Memorial Geological Scholarship

The Angelo Tagliacozzo Memorial Geological Scholarship was established by the Northeast Section of the American Institute of Professional Geologists in late 1986. The first Scholarships were presented to undergraduate Geology students in 1987.

The ATMG Scholarship recognizes the dedicated leadership and service which Angelo provided to NEAIPG, to AIPG, and to the geological profession, until his untimely passing on October 11, 1986. The Scholarship furthers Angelo's goal of acquainting young geologists with AIPG and with AIPG's importance to the geological profession.

ANGELO TAGLIACOZZO (1936 - 1986)

Angelo Tagliacozzo received his doctorate in Geology from the University of Rome (Italy) in 1962. Thereafter, he worked in various positions as geologist, geophysicist, and hydrogeologist, which included assignments abroad, in the U.S., and with the United Nations. Angelo provided exemplary service to AIPG at the Section and National levels. He was a Northeast Section Executive Committee Member (1973-1982), Vice President (1977-1978), President (1979-1980), National Advisory Board Delegate (1981-1982), and Screening Board Chairman (1984-1986). Angelo's dedication to and leadership of the Northeast Section Screening Board has become the ultimate standard against which service in such a position is measured. Angelo also served as an AIPG National Executive Committeeman (1982); he was a vigorous advocate of measures to increase professionalism. Angelo was (and will always be remembered as) a respected professional.. and a friend to many.

THE SCHOLARSHIP

NEAIPG grants Scholarships to undergraduate geology students annually. The Scholarships are designed to help with the cost of summer field courses, textbooks, and other aspects of geological education. Scholarships are awarded, on academic achievement and on financial need, to students enrolled in recognized geology programs at colleges or universities located in Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, and Vermont.

Re: *I'm Taking the Pledge: I'M IN FOR 2025!*

Dear Kelly,

This year, I am 100% with you when it comes to achieving the Section's goal of 100% participation in support of the ATMG Scholarship Perpetual Trust Fund in 2024!

I agree with your encouragement that **each and every Section Member make a contribution in accordance with their ability!** Affordable donations from many members, can show a stronger and more united support for the future of our profession and aspiring geologist, rather than relying on the generous support from a few members.

To show my support toward the profession of Geology and encourage aspiring Geologist, you can count me in FOR 2025!

I am committed to contributing, as much as I can, **to give back to the profession that has given me so much. I'M IN FOR 2025**, and I am considering a **tax-free donation** equivalent to \$35 a Week, \$35 a Month, or \$35 for the Year!

Also, I just wanted to tell you I am delighted to know that every one of those hard-earned dollars that I contribute will be INVESTED in the Scholarship Perpetual Trust Fund, so my contribution today can keep on giving, year after year! That makes me feel like my contribution really means something, both now and in the long term!

I have thought it over, and **I know how important 100% participation is to make significant impacts in the lives of aspiring geologists!** So, Kelly, **I'M IN FOR 2025**, as indicated below.

If I want to add another tax-free donation later in the year, or if I want to pay this donation online, I know that I can visit the Section website at <https://ne-aipg.org> and make a donation at any time.

Professionally yours, _____

At this point in 2025, I am pledging the amount indicated below, and I will provide payment via check, or will pay online at <https://ne-aipg.org/>. I indicated my donation amount and payment method below with an "x" on the appropriate statements:

____ \$35 a Week (\$1820 for 2025)

____ \$35 a Month (\$420 for 2025)

____ \$35 a Year (\$35 for 2025)

____ I pledge to donate the amount of \$_____ (I know that a little bit is better than nothing!)

____ I have physically mailed this letter to you and enclosed my check, made out to "Angelo Tagliacozzo Memorial Geological Scholarship Perpetual Trust Fund."

____ I have emailed you this letter, and I will pay the donation online. If my payment is not received within 30-days of receiving this letter, please invoice me and I will agree to pay as soon as possible, and no later than by 12/1/2025.
