

Joint Geologists Meeting

Wednesday, October 15

New York State Museum Albany, New York

Space is Limited - Register Today at <http://www.ne-aipg.org/>

The bill that provides for licensing professional geologists passed the NYS Legislature and is waiting for the Governor's signature. What this ground-breaking legislation means for those practicing geology in the Empire State will be discussed during the October 15 meeting at the NYS Museum in Albany. Seven geology organizations will be represented. Last year's event sold out and more than 100 geologists are anticipated this year, so reserve your place now.
